The East Coast town of Paralimni has been at the centre of developments in recent years, as it has been transformed into a thriving town. The development is located in a central area, in close proximity to many of the area's amenities and services such as restaurants, bars, banks, supermarkets and bakeries, while the nearest anchorage is just 2 km away. Getting your feet wet at the closest beach would not take more than 5 minutes driving time.

Consisting of just 40 apartments in total, the project lacks nothing in terms of space, style and quality. The luxurious modern development is in a sought-after location, halving the distance between the town of Paralimni and the golden sand beaches of the area. These attributes make this project very appealing to homebuyers looking for a holiday or permanent residence.
