FOR SALE

## Famagusta, Kapparis

87 m<sup>2</sup> Covered | 2 Bedrooms |

FSB Properties Ltd

### Description

These apartments in Kapparis are the right neighborhood for you and your family, with highlighted customized apartments some of which are loft-type condos.

The project's main characteristic, however, is its round shape swimming pool with a great pairing of a wide selection of swim-up apartments. A feature which makes this estate unique in many ways.

Welcoming to discerning families and individuals who value privacy and a special lifestyle, these apartments combine prosperity, leisure and a pleasant holiday environment.

Last, but not least, the project offers magnificent sea views of the Famagusta coast and conveys a special encounter to every one of the its unique residents.
