Description

€350,000

This exclusive and very rare to find, large 4 bed bungalow (193m²) on a plot of 5838m² with a building permit in a quite rural setting. property completed 2011 is in good condition, but could do with some superficial improvement.

The likelihood of neighbours would be next to zero!

Currently, it has a share of the land, but an application for the subdivision of the whole plot is pending.

The property consists of a beautiful entrance hall leading to a semi lounge area opening up to a much larger lounge and dining area. The kitchen is slight offset and is large enough to cater for a large family.

The property consists of 4 large bedrooms (Master with en-suite shower), family bathroom with a separate guest toilet.

Externally the large plot lends itself very well to other uses, currently nicely
