A great opportunity for that lifestyle change. This wonderful property is nestled in the hill side in the village of Alethriko in the Larnaca District. This Italian pre-fab is conveniently situated to give sensational views across Alethriko village and the surrounding mountains. A quiet location and is equipped with all the modern comforts.

A comfortable living area that is energy efficient to A+ standard, with its gas central heating, double glazed with integrated blinds, log burner, pressurised water, CCTV and the list goes on.
