This is a large family home with a well designed layout for comfort and entertaining. The large living area has a sweep around style kitchen and dining area and a supporting smaller kitchen attached. The whole feel of this property ooze's a luxury life style.

A couple of steps down takes you to the 4th Bedroom / office and then exit to the under cover external seating area. Attached is the small garden with plants and shrubs.

The property is a sort of split level with few steps to the upper floor
